

The Home Page of the mobile application is displayed below

The flash news is a type of news that keeps scrolling and on clicking the news. It will open up the details page of that flash news.

The Contact icon at the bottom displays the address of the church and other contact info of its office bearers.

The Home icon given is used to navigate to the Home page from any other pages.

The Website icon is used to open the website of the church on a browser in the mobile.

There are some icons that will be displayed only after the Member login

These are:

- My Profile (in Side Menu)
- Parish Directory
- Calendar
- Prayer Request

This is the page where the member can login using his/her member id and Password. In case the user forgets the password, he/she can use the Forgot PIN button to receive the pin via email to the email registered at the church.

After logging in, the previously mentioned icons like Parish directory will be displayed.

MY PROFILE

The **My Profile** page will display the details of the member who is logged in. On clicking the pencil symbol shown on the top right of the page, a page will be loaded where the member can edit their profile data like email, phone number and present address as shown below. After submitting and Admin approval, these updates will be reflected.

This is also the page where the members can update their home location so that other parish members can view it in the parish directory.

To update the location, first turn on the location on the mobile phone and the go to the edit page shown on the right side.

Then, click on the Update Location button shown there. A popup message will show asking to confirm Location Update. On clicking yes, a map will be loaded below which will display the current location of the user. After making sure that the location shown on the map is

correct, click on the Update button shown at the bottom. The edits made will be sent to the Admin for approval. After the Admin approves the edit in the admin panel, the location for the member will be updated.

Note: All the member edits done and submitted will only be reflected on the website and mobile applications only after the Admin approves these changes in the Admin panel. If they are pending or rejected, the data before the edit will be displayed (if any), else nothing will be displayed.

PARISH DIRECTORY

In the Parish Directory, all the active members of the church will be displayed on the order based on their Member id. On selecting a particular member, their details can be viewed.

To view the location of that particular member, click on the map icon shown against their name. If the location for that member has been updated, then it will be displayed on the map loaded in the next page.

CALENDAR

The Birthday and Wedding Calendar will display the name and mobile number of the members having birthdays or wedding anniversaries on the selected dates. By default, it always shows the birthdays on the current date. If you want to view birthdays or anniversaries on specific dates, change the date accordingly.
